Introducing

Signature Sterilization Trays

Signature Sterilization Trays

Blue wrap ready, rigid container compatible.

Designed for use with standard blue wrap or rigid containers, Stryker's Signature Sterilization Trays will give your surgical teams complete confidence during storage, transportation, and automated washing. Our trays feature enhanced details – based on the requests of healthcare providers just like you – to meet and exceed your team's demands. This latest design offers greater efficiency and ease of use in the operating room plus cost controls of your facility.
